

Volunteers needed! 01/01/2018

The World Zone needs your help!

We need volunteers in the following areas:

Authors

Players who wish to post news items in our website, related to correspondence chess or chess in general.

Knowledge of Wordpress preferred but not required.

You will work under the WZ Webmaster, Gino Figlio who will grant you privileges to access our website as an Author. The website has a plugin that allows commented chess games to be posted, with a re-playable chessboard in addition to standard web-publishing tools.

No minimum number of posts required, volunteer at your own pace!. You may also leave this position at any time.

Navigators

Players who will reply to assistance requested from other players via the Help Desk.

General knowledge of ICCF and working email address required. Navigators will be taught how to troubleshoot the most common issues related to use of our website and online store.

We require all help messages to be addressed within 24 hours. The Webmaster will always be available for consultation or backup.

I am interested, how do I apply?

Send a message to our webmaster Gino Figlio lamarperu@gmail.com
